

Artists of the Cavallino Classic

Each of the artists at the Cavallino Classic has been specifically invited, and each has been chosen primarily for their recognized reputations as eminent artists in the automotive field. They each embody a wide range of styles and they show a particular sympathy toward automotive subjects. It is difficult to capture successfully the aesthetic beauty and the inherent excitement of the rare automobile – but that’s what these talented artists have achieved.

- Dennis Brown
- Ken Dallison
- Yahn Janou
- Jay Koka
- Anthony Lauro
- John Francis Marsh
- Enzo Naso
- Bill Neale
- Barry Rowe
