

Classic Sports Sunday at Mar-a-Lago

This day is about appreciating fine automobiles and meeting wonderful owners and guests on the beautiful private grounds of the Mar-a-Lago Club, to benefit our charities.

Classic Marques: We are inviting other special marques to join the Ferraris on the lawn. We are seeking automobiles of a classic sporting nature, but from the era that represents the magnificent history and ambiance of Mar-a-Lago.

You Are Invited: If you own any of the fine automobiles described below, we invite you to bring them and join us on the lawn for an exceptional day.

Something Unusual? If you have an automobile that is not described below, but which represents the ideals of sporting character, outstanding quality, sophisticated engineering, and historical relevance, please call us.

Judging: We will have Judging of the Classic Marques “French-style” by respected international Judges, for Best in Class and multiple Excellence in Class. We will also have Peoples Choice Awards. These will be presented at the brunch.

Invited Automobiles: Pre-war American & European • Post-war European to 1965.

Our Charities: The American Council of the Blind & the Dreyfoos School of the Arts.
