- The 21st Annual Palm Beach Cavallino Classic will be presented in Palm Beach, Florida on January 17 to 22, 2012.

- This extraordinary gathering is a six day convention for Ferrari owners and enthusiasts, with participants and their 400 Ferraris attending from the U.S. and Europe.

- Benefiting from the Palm Beach Cavallino Classic are several important charities: the Children's Wish Foundation, the Boys and Girls Club, Best Buddies, the American Council of the Blind Scholarship Fund and the Dreyfoos School of the Arts.

- The first major event of the convention is the prestigious Florida Trophy, a two day track meet at Palm Beach International Raceway on Thursday and Friday, January 19 & 20. Over 100 competition Ferraris revive memories of past and present glory, as their owners drive these historic machines again in a race course setting.

- The second major event is the Tour of Palm Beach on Thursday, January 19. Up to 80 vintage and classic Ferraris tour through Palm Beach and along the Atlantic coastal roads. They leave from The Breakers Hotel and make stops at Mar-a-Lago, Ocean Ridge and The Chesterfield Hotel, with a destination at Jet Aviation at Palm Beach International Airport for the exclusive welcoming Jet Reception.

- The high point of the week is the Concorso d'Eleganza on the front lawn of The Breakers Hotel, on Saturday, January 21. 150 immaculate Ferrari automobiles are judged by leading international experts for originality and elegance, for Class Awards and the important Major Cups, along with The Cavallino Cup for Best in Show.

- This exceptional week is crowned with an exclusive Sunday program... the *Classic Sports Sunday* at The Mar-a-Lago Club, the legendary Marjorie Merriweather Post mansion in old Palm Beach. 120 vintage and classic sporting automobiles from this romantic era are displayed on the lawn and the guests vote for their favorites. Awards are presented at the charity brunch in the opulent Ballroom.

- The evenings are included in the festivities, with a host of now famous receptions taking place for the Classic's guests and participants, including the Wednesday Artists' Preview, the Thursday Jet Reception at Jet Aviation, the Friday ShowBoats Yacht Hop at the Rybovich Yacht Club and the Saturday Awards Gala at The Breakers.

- The stature of the Palm Beach Cavallino Classic is shown by the fact that it is the first and only automotive gathering ever held in Palm Beach, Florida. It has also showcased every new model of Ferrari introduced in America.

- The Palm Beach Cavallino Classic is also regarded as one of the top four automotive events in the world, along with the Pebble Beach Concours d'Elegance, the Villa d'Este Concorso d'Eleganza and the Amelia Island Concours d'Elegance. In addition, the winners of the top two Cavallino Classic Concorso d'Eleganza Awards are eligible for the prestigious international Louis Vuitton Classic Concours Award.

- The Palm Beach Cavallino Classic XXI is hosted by the authoritative and respected Cavallino Magazine, The Journal of Ferrari History.
