CONCORSO D'ELEGANZA...

The climax of the week for many was the *Concorso d'Eleganza* on the front lawn of The Breakers, on Saturday, January 26. 150 pristine Ferrari automobiles were on display with about half being presented for judging, with the judges being leading experts from Europe and America. The displays were magnificent with groupings rarely seen, including five Superamericas, five TDFs, four Californias, and sixteen Daytonas among others. In the race car groupings were two now rare F333 SPs and several 360 and 430 ALMS race cars of recent vintage, including the 2007 Sebring winner, s/n 2406, the one in that fender bender photo finish after 12 hours of racing. On prominent display was the new 430

Scuderia along with a crowd-stopping white on white personalized 612 Sessanta.

At the evening banquet at The Breakers, Class Awards and Major Cups were presented, along with The Cavallino Cups for the two Best in Show. The winner of the Scuderia Ferrari Cup for the Best of Show Competition Ferrari was the beautiful 1949 166 MM Touring Berlinetta Le Mans, s/n 0026 M, of Jack and Susie Croul of Corona Del Mar, California. The winner of the Gran Turismo Ferrari Cup for the Best of Show GT Ferrari was the immaculate 1958 250 GT PF Cabriolet, s/n 0813 GT, of Peter Kalikow of New York City.

There was also a new trophy this year and the Cavallino Classic was honored to be chosen as the event for the

presentation of the first ever *Ferrari Classiche Cup* for the Outstanding Factory Certified Ferrari, and this was awarded by Ferrari SpA and NA. On hand to inspect the certified Ferraris on the show field, and to present the Award that evening, were Roberto Vaglietti, the retiring head of the *Classiche* Department, and his new replacement Marco Arrighi, and they chose a lovely 1967 330 GTS, s/n 10689, owned by David MacNeil of Hinsdale, Illinois.

We wish to thank The Breakers and its staff for hosting the entire 17th Cavallino Classic, and especially for having everything in superb condition on the big day – the *Concorso d'Eleganza* on the front lawn – for all our participants and guests to enjoy.

CLASSIC SPORTS SUNDAY...

As part of the Cavallino Classic's week of events, there was a new experience on the Sunday, an innovative automobile show dedicated to the true enthusiast for true sports cars. Named *Classic Sports Sunday*, the theme was old and new sports and race cars from all manufacturers. It came about from the fact that many of the participants in the Ferrari-based Cavallino Classic also owned other fine sports cars, but had no place to display them during the mid-winter season in Florida. This new show also appealed to the many sports car *aficionados* in South Florida who were heavily involved in other marques.

Held on the grounds of the Hilton Hotel Airport, the 1,000 enthusiasts braved early morning rain to see 130 unique and special sports and race cars, from a bug-eyed Sprite to a Lola T-70. Arranged in groups according to marque, the displays included some exceptional examples of each type, including early and late examples that gave a nice panorama of each marque and its history.

The major sports car manufacturers were well represented with old and new models, with some rare machinery rounding out the classes. For example, in the British group was an extremely uncommon Lea-Francis 2.5 Sport next to an equally unique Connaught L3-SR.

The Major Awards and the Class Awards were decided upon after a thorough inspection of the cars in the morning and final deliberation by a group of invited Judges, all of them experts in their particular area, and headed by Chief Judge Russell Glace.

Classic Sports Sunday was organized by the staff of the Cavallino Classic, with the same attention to quality and detail that have become the hallmark of the Classic. Plans are to slowly grow this new Classic event until it becomes the premier multi-marque sports car event of the winter season in Florida.

We want to thank all the owners who brought such a wonderful variety of sports cars to this inaugural event.
