Classic Sports Sunday at Mar-a-Lago

This day is about appreciating fine automobiles, meeting wonderful owners and guests, presented on the beautiful private grounds of the Mar-a-Lago Club, to benefit a worthy charity.

Classic Marques: We are inviting other special marques to join the Ferraris on the lawn. We are seeking automobiles of a classic sporting nature, but from the era that represents the magnificent history and ambiance of Mar-a-Lago.

You Are Invited: If you own any of the fine automobiles listed below, we invite you to bring them and join us on the lawn for an exceptional day.

Something Unusual? If you have an automobile that is not listed below, but which represents the ideals of sporting character, outstanding quality, sophisticated engineering, and historical relevance, please call us.
