A CHAPTER BEGINS...

FIRST PRESS MEETING FOR THE NEW FERRARI FORMULA ONE TEAM... REPORT FROM FERRARI SPA

Ferrari presented their new hierarchy at their annual press meeting at Madonna di Campiglio in Italy. Stefano Domenicali, Sporting Director, and new Technical Director Mario Almondo held their first press conference to explain their new roles, that of Michael Schumacher, the driver hierarchy and the innovative new car due to be launched on Sunday at Maranello.

The pair both joined Ferrari on the same day in 1991, and now find themselves at the forefront of the team's 2007 campaign, under the direction of
