Above: "The 212 Inter carried a single Weber 36 DCF carburetor, and it put out about 150 bhp at 6500 rpm. This power gave the 212, with its five speed box, a top speed of 182 kmh."

Right: "All the interior details – door handles, window trim, dials and gauges, rearview mirror, sunshades, fishnet holders – are of the typical Vignale 'Art Déco' style."
