45 YEARS OF THE GTO

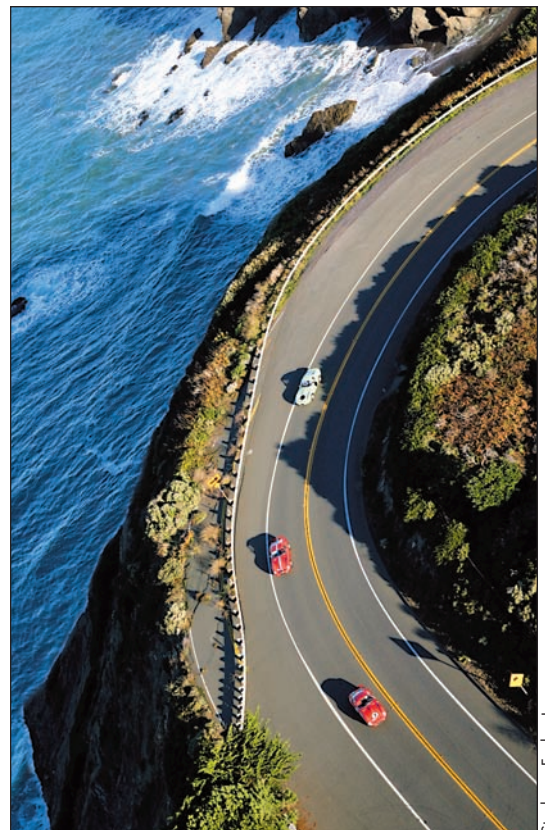

Patrick Poyany Image

Patrick Poyany Image

"In October this year, the Ferrari 250 GTO, sometimes referred to as 'the Mona Lisa of motoring' celebrated its 45th birthday. The Moët & Chandon Tour, an event organized for twenty years now, with the sole goal of celebrating this iconic automobile (of which only 36 were ever made!) once again went on the road – this year for the first time in the dreamy landscape of California."
