Above, after a year long campaign against often faster rivals, but finishing with strong results with admirable consistency, Nicolas Zapata in his number 42 was declared winner on points of the 2009 European Ferrari Maserati Historic Challenge. His mount was his 625 TR, s/n 0612 MDR.

Below, third on overall points in the 2009 European Ferrari Maserati Historic Challenge was the number 50 250 GT LWB TDF, s/n 1401 GT, of Plinio Haas. One point behind him in the standings was Massimo Sordi in the Maserati 200 SI, s/n 2421, seen here stalking Mr. Haas at Valencia.
